

## Flower Power

With thanks to Robyn

There's always two sides  
To every story –  
Each business or domestic  
Verbal “*bash*”, “*lash*”  
Or “*clash*”.

But there's only *one* side  
To giving flowers.

They resolve, evolve,  
And get things moving  
Ahead,

Soften and smooth,  
Shift and move,

Without a single,  
Angry word –  
Ever being said!
