

**What you can get for free ...**

*“What **really** keeps our Country running?”*  
I said,  
Sipping Jenna’s beautiful coffee,  
In the Lord Lyndoch Café.

*“Is it money, alcohol,  
Coffee or sex?  
That keeps us all travelling...  
Day after day?”*

I knew what I thought,  
But felt too shy  
To say!

Tipping my cap  
To Jenna,  
The last thing,  
She said  
To me,

*“The best things in life...  
Is what you can get -  
For free!”*
