

Without our Mums

We'll get by
Without Shane Warne,
Our sporting heroes
Will go and come.

We'll get by
Without politicians,
So much better
Would our country run!

We'll even get by
Without cold beer,
Or sitting at the bar
With our mates and our chums.

We'll get by
Without our loves and our sweets...

But we'll *never* get by -
Without our Mums.

Mum deodorant advert.
